
Mid Term Review

Pro Tools 1

APP 2

Dec 8, 2015

Overview

This review sheet contains everything you'll need to know for your midterm exam. However you should review all of the material provided previously just in case!

Expectations

For the exam you should be able to do the following while utilizing the appropriate quick keys.

- Create A New Session
- Create New Tracks
- Cycle Editing Tools
- Cycle Editing Modes
- Open The Transport Window
- Open The Workspace
- Toggle Pre/Post Roll
- Toggle Metronome
- Record / Play

You should have a full understanding of the playback engine and how to get audio out of Pro Tools no matter what the circumstance!

You should be able to wipe the session I/O settings clean and build it from scratch.

You should understand the basic core principals of modifier keys.

- Using option to Do To All
- Using option + Shift to Do To All Selected
- Using Command + Option + Shift to Do To All Selected Sequentially

You should be familiar with Pro Tools Template files (PTT or PTXT) as well as Pro tools Session files (PTX)
